Senator Helms' Appointments to the Foreign Relations
Committee Staff

Don't Spend Your Pay Raise Yet

On 29 January, the Senate voted 87-7 to disapprove the President's select pay proposals. The Senate also attached the measure to a House Resolution that increases food and shelter for the homeless. These actions increase pressure on the House to have a floor vote on the pay proposals. A Post Office and Civil Service Committee Task Force will hold hearings on Monday and Tuesday on the proposals. Whether it will send a disapproval resolution to the House floor before the 5 February deadline is uncertain. (U)

New HPSCI Members

Reps. Dan Lungren (R., CA) and Bud Shuster (R., PA) have been named to fill the two Republican vacancies. Both have reputations as Republican activists, but they have been able to work with the Democrats on issues of common concern. We will be making calls on them as soon as possible. (AIUO)
